

Domus Easy Chair Soft

09886 The Domus chair with its high backrest and removable seat is the perfect chair for a long and comfortable seating position. The Domus chair creates a homely atmosphere in a resident's room, but it also offers an unprecedented surplus value in living rooms or TV rooms.

Support

- The rounded sides consist of 2 OSB boards of 18 mm, and are firmly connected with a metal structure.
- The sides are upholstered with fire-retardant foam.
- The upholstery is finished with imitation leather and decorative stitching.
- Comfortable wide armrests of ± 10 cm.
- All edges and corners have been rounded.
- No visible fastening elements.
- Solid beech legs, equipped with synthetic glides.

Seat

- Removable seat in melaminated MDF, thickness: 12 mm.
- The rounded seat in front stimulates a fluent blood circulation.
- Comfortable seat height of 45 cm.
- Upholstered with fire-retardant foam. Two different density zones guarantee optimal seating comfort.
- The upholstery is finished with imitation leather and decorative stitching.

Backrest

- The backrest consists of an ergonomic pre-shaped plywood shell, thickness 12 mm.
- Upholstered with fire-retardant foam. This foam has 3 different density zones to guarantee optimal seating comfort.
- The upholstery is finished with imitation leather and decorative stitching.
